## Four organizations awarded ISC Capital Improvement grants

The Independent Sports Club of Central Illinois awarded four Capital Improvement Grants at the October meeting. Those groups receiving grants include Richwoods Pony League, The Christian Center, PAWW and Junior Football League of Central Illinois.

The ISC recognizes that youth sports organizations periodically need to make permanent improvements to their facilities. The ISC awards Capital Improvement Grants, also known as "bricks and mortar" grants, for projects such as dugouts, scoreboards, lighting, concessions, bathrooms and storage buildings.
